1988 SEP -7 AM 9 34

Application of the Sacramento-Valley  
Limited Partnership for authority to  
increase rates and charges applicable  
to cellular radio telephone **service**  
within the Greater Sacramento-Valley  
Metropolitan **Area**

Application No. 88 08 023

NOTED: F. J. ONE  
CITY CLERK  
CITY OF LOS ANGELES

Withdrawal of Application

OR July 18, 1988, Sacramento-Valley Limited Partnership (U-3004-C) filed Advice Letter No. 22 under General Order No. 96-A seeking authority to increase rates for cellular radio telephone service in the Greater Sacramento **Metropolitan Area**, encompassing portions of Sacramento, Yolo, Placer, Sutter, Yuba, San Joaquin and Stanislaus Counties. On **August 10, 1988**, the Commission converted this Advice Letter filing into Application No. 88 08 023.

Sacramento-Valley Limited Partnership **hereby** withdraws Application No. 88 08 023 because the Partnership believes that the issues of resale viability, retail margins and the appropriateness of establishing a market price should be addressed by the Commission in the forum of the future OII of the entire cellular industry and not in connection with a specific carrier's rate **application**. Copies of this withdrawal are concurrently being served upon all the entities originally notified of the Application.

Dated at Irvine, California, this 2nd day of September, 1988.
